We can offer bundle deals on bigger orders so it's worth letting us know what all your requirements are.

There is a minimum order cost of £180 for this method.

SIMPLE 'N' CHIC TERMS AND CONDITIONS OF SALE

Please check all your artwork thoroughly. We suggest that you print out a copy of your designs to check the scale, size and relationship of the various elements, sometimes you can spot things on a hard copy that you don't see on screen. Check spelling of names and dates. Check all spacing and sizes of your type. Once your artwork is signed off it is assumed that you are happy with every detail, this is the exact design that will go to print and so you're responsible for this content and are liable for the cost as stated in your order.

COLOUR

Because of the nature of the Simple 'n' Chic printing process we can never match colour exactly, but we can be very accurate. If you send us a printed sample or a swatch of the colour you require, we can try and match this as well as we can. This is the best way to get your specific colour requirement however the colour on screen can differ slightly to the colour in print.

QUALITY, PAPER STOCKS

All our designs vary. We believe that the quality of our standard stocks and cutting service are very high however order to manage your expectations we strongly advise you ask to see a printed sample of some of our previous designs in order to have an idea of our production values. Please also note that the colour of your design will be affected slightly by your choice of paper.

DAMAGE DUE TO POSTING

You should receive your invites intact and undamaged, if in the very unlikely event they have been damaged when we send them in the post to you please let us know. Please keep all packaging and damaged goods as your stationery is insured and we will make a claim, We will also send you replacement goods as quickly as possible.

Our invites are of a quality that can withstand the basic wear and tear of going through the post, however we are not responsible for any deterioration nor damage once you post your invites, STDs etc. to your friends or guests. If they do sustain damage when you post them on, this is a matter between you and your postal agent.

Be aware that any extra additions such as stick of beads and pot pourri could damage the print quality during postage.

PAYMENT

We require a deposit of half the total of your order being sent to print (plus postage and package) after you have signed off your artwork and prior to it going to print. We will require the final balance once your order is printed and ready to post. We will notify you when your stationery is ready to send.

TIMINGS

We will keep you posted on the timings of your order, however times can vary and so we advise you leave at least 3 weeks between sign off and receiving your samples. If the timing is likely to be more than this, we will let you know prior to print.

Little ego is NOT liable for the cost of another re-print unless there the printed sample differs to the art work you have approved (we suggest you keep a copy of your art work for this reason). And unless there is an obvious error of print and production not noted above.

We will not send your art work to print unless you have read and approved these terms and conditions.

In order to do this please copy and paste the below and send back in an email along with the PDFs of the signed off art work.

I have read and understand the terms and conditions and would like to proceed with my order by signing off the above artwork and costs.
